Mr. Thomas H. Rudy, President
Rotary Club of Wall Street
New York City, NY

Dear Mr. Rudy:

On January 29, 2013, we received the Rotary Club of Wall Street's proposal for a partnership in education from Mr. Jahnbaz Almas.

We reviewed the proposal and we then invited Mr. Almas to our school to talk in further detail about this partnership to some of our faculty and students.

Mr. Almas accepted our invitation and visited our school on Friday, February 15, 2013. He met with Mr. Raj Nanda, the Assistant Principal, Supervision and several students from the student government organization. Mr. Almas explained the contents of the proposal and identified the areas of positive impact this partnership will make for our school community.

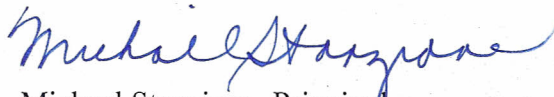

We wish to inform you that we hope to establish a Youth Leadership Council at the High School of Economics and Finance.

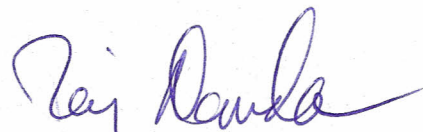

We believe this partnership in education between the Rotary Club of Wall Street and the High School of Economics and Finance will benefit our students very much.

We are looking forward to working with the Rotary Club of Wall Street.

Thank you.

Sincerely,

Michael Stanzione, Principal

Raj Nanda, A/P Supervision
